“ Dixon Hughes Goodman brings the right combination of technical experience and a thorough understanding of our industry. Our advisors invested time and personal attention to become familiar with our business and processes, bringing us fresh ideas to identify our greatest tax advantage. They took an interest in us and care about our success.”

– Jack Lueders, Vice President of Administration, Gate Petroleum Company

our focus on the petroleum and convenience store industry

Dixon Hughes Goodman’s team of dedicated professionals proudly serves the petroleum and convenience store industry. Our retail group includes 30 professionals who have focused on the industry for more than 25 years.

How We Do It

Through our active involvement in national, regional and state petroleum and convenience store organizations, we are informed about the latest legislation and accounting policies affecting the industry. We are members of the North Carolina Petroleum and Convenience Marketers Association and the Virginia Petroleum Convenience & Grocery Association.

Through our long-standing relationships with many of the top names in the market, our local professionals are available to assist you. Our clients range in size from local businesses to a \$2.5 billion wholesale distributor.

A Sample of Our Petroleum and Convenience Store Clients

- Four distributors with revenue more than \$500 million, located throughout the Mid-Atlantic and Southeastern regions.
- A fully-integrated petroleum supplier with \$400+ million in revenue and 50+ convenience stores serving branded and unbranded dealers.
- Petroleum dispensing equipment distributor, contractor and servicer with more than \$100 million in revenue.
- An oil recycling and industrial services company that collects, refines and sells custom-blended fuels, as well as providing equipment repair and analysis services, with revenue over \$75 million.
