### Emerging Strong During Office Re-Entry

DHG has developed a Workplace Re-Entry Readiness Framework which features a comprehensive and strategic playbook coupled with a customizable risk analytics tool. Both the playbook and technology-based platform can be tailored by the business for varying risk profiles and tolerances. We are here to help guide your company through a phased reopening in order to maintain business continuity in a responsible way. Tackle the complex decisions regarding risk and re-entry by emerging strong with DHG at your side, giving you more time to focus on your business.

#### KEY CHALLENGES

DHG has created a framework that can be adapted to your needs to focus on a strategy for navigating office re-entry. We can help you:

- Navigate Disruption
- Manage Uncertainty
- Access Reliable Data & Info
- Practice Wellness & Safety
- Resume Operations
- Physically Return

#### HOW WE WILL HELP

During collaborative sessions, an experienced DHG team will guide you through these foundational steps:

We will provide you access to our proprietary analytics tool which will be configured to deliver data-driven, customized monitoring of the KPI's you define as keys to your successful phased re-entry. We will also deliver a comprehensive playbook outlining your phased approach re-entry plan, inclusive of the KPI thresholds that will help you identify the need for progression and regression as the environment changes.

*\*Available either as a component of the Workplace Re-entry Readiness Framework or as a stand-alone tool.*

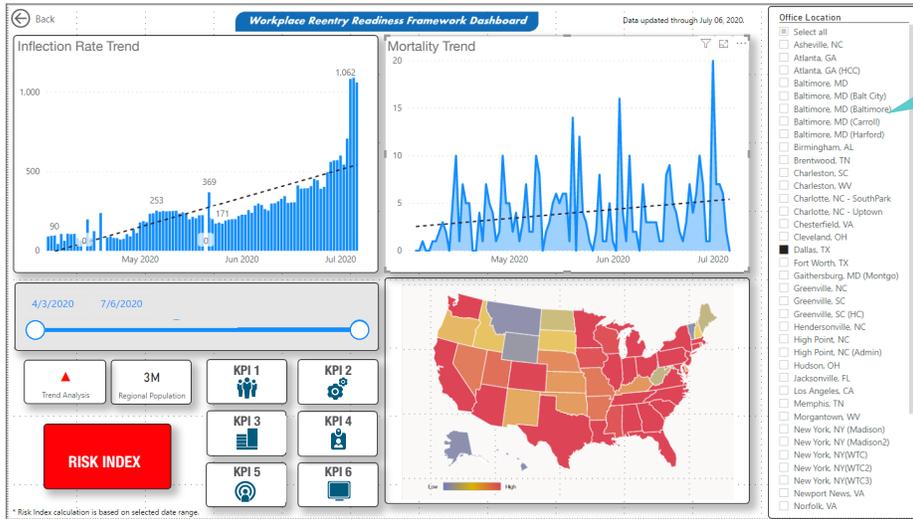

#### TOOLS AVAILABLE

The Phased Approach Playbook will incorporate any or all of the following tools, depending on your business needs:

- Cleaning Protocols
- PPE Strategy
- Travel Approval Process & Guidance
- Communication Plan
- Ready, Set, Go – Checklist
- Visitor/Vendor Standards
- Data Analytics
- Resource Library
- Employee Pledge
- Thought Leadership
