

THE LEAPFROG GROUP DEEP DIVE AT SYMPOSIUM 2018

May 16-18, 2018 // Disney's Yacht & Beach Club Resort // Orlando, FL

WHAT TO EXPECT

- A deep dive into the differences between the Leapfrog Hospital Survey and Leapfrog Hospital Safety Grade
- An in-depth overview of each measure used in the Leapfrog Hospital Survey and Leapfrog Hospital Safety Grade
- An overview of how the measures used in Leapfrog's Hospital Survey and Hospital Safety Grade are used in value-based purchasing
- Open forum for questions from hospitals and health systems
- Performance improvement strategies around the measures in both programs.

WHY YOU SHOULD ATTEND

- Enhance your understand of Leapfrog's two ratings programs
- Opportunity for in-person discussion with Leapfrog leadership and its scientific partner
- Learn about strategies to improve your performance on Leapfrog's ratings from experts at DHG Healthcare
- Opportunity to network with other hospital leaders
- Opportunity to attend full DHG Healthcare Symposium and educational sessions

The Leapfrog Group Deep Dive at Symposium 2018 is an invite-only series of sessions built directly into the 20th Annual DHG Healthcare Symposium. The Leapfrog Group Deep Dive offers 8 hours of interactive sessions featuring Missy Danforth, Vice President of Hospital Ratings at The Leapfrog Group, Matthew Austin, PhD, Assistant Professor, Anesthesiology and Critical Care Medicine Faculty at the Armstrong Institute for Patient Safety and Quality, and other DHG Healthcare leaders.

In addition to The Leapfrog Group Deep Dive, you are automatically registered to attend the DHG Healthcare Symposium general and breakout sessions. The DHG Healthcare Symposium offers the opportunity to hear from healthcare leaders on the change impacting the industry and the inevitable shift occurring beyond the tipping point.
